

**IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF IOWA
CENTRAL DIVISION**

UNITED STATES OF AMERICA,

Plaintiff,

vs.

JEFF CHENEY,

Defendant.

No. CR07-3010-MWB

**ORDER CONCERNING
MAGISTRATE'S REPORT AND
RECOMMENDATION REGARDING
DEFENDANT'S GUILTY PLEA**

I. INTRODUCTION AND BACKGROUND

On February 23, 2007, an indictment was returned against defendant Jeff Cheney charging him, having previously been convicted of a felony drug offense, with conspiracy to distribute and manufacture 500 grams or more of methamphetamine, in violation of 21 U.S.C. §§ 841(a)(1), 841(b)(1)(A), 846 and 851. On August 17, 2007, defendant appeared before Chief United States Magistrate Judge Paul A. Zoss and entered a plea of guilty to Count 1 of the indictment. On this same date, Judge Zoss filed a Report and Recommendation in which he recommends that defendant's guilty plea be accepted. No objections to Judge Zoss's Report and Recommendation were filed. The court, therefore, undertakes the necessary review of Judge Zoss's recommendation to accept defendant's plea in this case.

II. ANALYSIS

Pursuant to statute, this court's standard of review for a magistrate judge's Report and Recommendation is as follows:

A judge of the court shall make a de novo determination of

those portions of the report or specified proposed findings or recommendations to which objection is made. A judge of the court may accept, reject, or modify, in whole or in part, the findings or recommendations made by the magistrate [judge].

28 U.S.C. § 636(b)(1). Similarly, Federal Rule of Civil Procedure 72(b) provides for review of a magistrate judge's Report and Recommendation on dispositive motions and prisoner petitions, where objections are made, as follows:

The district judge to whom the case is assigned shall make a de novo determination upon the record, or after additional evidence, of any portion of the magistrate judge's disposition to which specific written objection has been made in accordance with this rule. The district judge may accept, reject, or modify the recommended decision, receive further evidence, or recommit the matter to the magistrate judge with instructions.

FED. R. CIV. P. 72(b).

In this case, no objections have been filed, and it appears to the court upon review of Judge Zoss's findings and conclusions, that there is no ground to reject or modify them. Therefore, the court **accepts** Judge Zoss's Report and Recommendation of August 17, 2007, and accepts defendant's plea of guilty in this case to Count 1 of the indictment.

IT IS SO ORDERED.

DATED this 5th day of September, 2007.

A handwritten signature in black ink that reads "Mark W. Bennett". The signature is written in a cursive, slightly slanted style.
